LAVABO SOVRAPIANO / COUNTERTOP WASHBASIN

WBN01

_REV17

! Per l'installazione del lavabo non ci sono limiti di spessore del piano di lavoro. Il troppopieno del lavabo deve essere posizionato verso l'utente, come indicato nelle seguenti istruzioni.

For the installation of the sink, there are no limits to the thickness of the worktop. The overflow of the washbasin must be positioned towards the user, as indicated in the following instructions.

Für der Einbau des Waschbeckens gibt es keine Dickenbeschränkungen der Arbeitsfläche. Der Überlauf des Waschbeckens muss dem Benutzer zugewandt werden, wie in den folgenden Anweisungen.

Para la instalación del fregadero, no existen límites en cuanto al grosor de la encimera. El rebosadero del fregadero debe colocarse hacia el usuario, como se indica en las siguientes instrucciones.

Pour l'installation de l'évier, il n'y a pas de limites d'épaisseur du plan de travail. Le trop-plein du lavabo doit être positionné vers l'utilisateur, comme indiqué dans les instructions suivantes.
